

Coupon Policy

Manufacturer:

- Management approval is required for any coupon over \$3.00
- We do not accept any expired coupons.
- We accept only one manufacturer coupon per purchased item.
- We do not accept coupons on items not purchased.
- Coupons must be presented at the time of purchase.
- The coupon must have an expiration date.
- Coupons are subject to advertised offer limitations and all other limitations and restrictions.

Store:

- You may use one store coupon and one manufacturer coupon for the same item.

Internet Coupons:

- We gladly accept valid internet printed coupons up to \$ 3.00. Management approval is required for any coupon over \$3.00. The same manufacturer and store coupon rules apply to all Internet printed coupons.
- Internet coupons must scan at checkout.
- Internet printed coupons must have a scan code and have a valid manufacturer address on the printed coupon for remittance.

Rain checks:

- They expire 14 days after being issued.
- We reserve the right to limit rain check quantities based on product availability and advertised limits.

Hitchcock's Markets reserves the right to limit quantities in coupon usage, as well as products and to modify our policies as we consider appropriate. Policy changes may not be advertised.
